

# The Weeknd - Alone Again Lyrics

Take off my disguise  
I'm living someone else's life  
Suppressing who I was inside  
So I throw 2000 ones in the sky  
Together we're alone  
In Vegas I feel so at home  
I'm falling only for the night  
So I throw 2000 ones in the sky

How much to light up my star again  
And rewire all my thoughts?  
Oh baby, won't you remind me what I am?  
And break, break my little cold heart

Call me up and I'll send for you  
Take me down to your altitude  
I don't know if I can be alone again  
I don't know if I can sleep alone again

Check my pulse for a second time  
I took too much, I don't wanna die  
I don't know if I can be alone again  
I don't know if I can sleep alone again

Count it up, it's all for you, count it up  
Count it up, it's all for you, count it up  
I don't know if I can be alone again  
I don't know if I can be alone again
